IQAC Initiatives **Science Club Programme** **2021-2022**

Date of the Programme	25-04-2022
Title of the Programme	Zero shadow day celebration
Objectives of the Programme	<ul style="list-style-type: none">To develop curiosity in the natural process occurs in the surrounding environment.
President of the Programme	Dr. Shivakumar G S., Principal, Kumadvathi College of Education, Shikaripura
Resource Persons/ Chief Guest of the Programme	Faculties of Kumadvathi College of Education, Shikaripura
Programme Co-Ordinator/s	Mentors of Science Club
Number of Student Teacher Participated	45
Details / Report of the Programme	<p>On 25th April 2022 observed Zero shadow day. Zero Shadow Day is a special celestial event that occurs twice a year. During this time, no shadows appear of any object or living being when the sun is at its highest point in the sky.</p> <p>Science Club members of Kumadvathi College of Education organised activity to observe the Zero shadow day effect. Exactly at noon 12:15 pm in front of the college all the student teachers assembled and made the circle. At that instant, the shadow would disappear. All the student teachers enjoyed the situation by seeing the natural environmental process.</p>

Number of Student Teacher Participated	72

<p>Report of the Programme</p>	<p>IQAC initiative - 2021-22 & As a part of World Environment Day in collaboration with Science Club, NSS Wing, Youth Red Cross and Department of Forest, Shikaripura Branch organised the SEED SOWING FESTIVAL PROGRAMME at Gangavvanasara Forst, Shidaginahaal area, Harogoppa Panchayat, Shikaripura taluk as part of our Extension programme.</p> <p>On this occasion Sri. Gopya Naik G., Assistant Conservative Forester, elaborates on the importance of the seed sowing programme that the forest department aims to increase the tree cover and greenery. It was held across various circles, divisions and ranges in the district. He said that the primary function was held at various forest areas in Shikaripura taluk and seeds of 14 species were distributed. The area identified for sowing is spread over 5 hectares. School children, college students, and NGOs were part of the drive and also said that sowing the seeds in the minds of the young children so that they are environmentally sensitised. Sir also explained why we need to save our forest and important facts about different species like Terminalia elliptical (Kari Matti), Bambusoideae (Bambo Seeds), Millettia Pinnata (Honge), Melia Dubia (Hebbevu) and their importance to our students. He extended his speech that this seed sowing drive will continue throughout the week and the annual Vanamahotsava programme entailing the planting of saplings, will be held from July 1 at different areas of Shikaripura Taluk.</p> <p>The President of this programme Dr. Shivakumar G. S., Principal, Kumadvathi College of Education, Shikaripura said that, It is an annual seed sowing festival celebrated in the 1st week of July every year to spread awareness of forest conservation and to save the environment. It is also known as the Forest festival. Trees and forests play a very crucial role in maintaining ecological balance and providing oxygen to human beings on the planet. The celebration of the seed sowing programme reminds us that we must protect forests and stop deforestation. It emphasizes the practice of the 3R Rule- Reduce, Reuse and Recycle. Forest & Trees provide many advantages which are essential for life on the earth. It's our duty to save the forest for the next generation. Sir also conveyed thanks to the department for involving in this societal awareness programme.</p>
<p>Welcome Speech & Vote of Thanks</p>	<p>Dr. Ravi H., Assistant Professor</p>
