World Health Day

Poster Presentation by Science Club
Members

Student Teachers displaying their posters
related to World Health day.

On 7th April 2017, World Health day was organised by the science club members of our college. In this occasion, the articles written and collected by our student teachers were displayed pertaining to factors related to good health, precautionary measures for good health and government programmes related to health schemes. Majority of student teachers took active participation in the programme.

The articles are found meaningful in developing awareness about the maintenance of our good health. All the articles displayed in the notice board were compiled and bounded in the book form. Principal and all the staff members were present in the programme.
