prizes in the interaction
programme

On 28th February 2018 Inauguration of Science Club for the year 2017-2018 & Video Presentation on the eve of National Science Day was organised in the Kumadvathi College of Education by the Science Club members. Dr. Shivakumar G S, Assistant Professor briefly summarised aims and objectives of science for the present academic year. Later the Science Club was inaugurated by Prof. S S ,Gadag, Academic Co-Ordinator, SVVS by watering the plant. Speaking in the occasion Prof. S S Gadag stressed that knowledge of science must give answer for all the blind believes, black magic etc.. in the society. Dr. Jayashree V R, Principal in the presidential address conveyed about the importance of science and technology for a sustainable future.

On this occasion National Science Day was also celebrated by showing the video of biography of Sir. C V Raman and his achievements. Later in the interaction session science club members posed some questions to the audience based on the video presented and given prizes for right responses.

All the staff and student teachers took active participation enthusiastically. The programme was found meaningful in awakening our student teacher regarding great achievements of sir C V Raman.
