biography of Sir. C V Raman  
and his achievements

On 28<sup>th</sup> February 2019 Inauguration of Science Club for the year 2018-2019 & Video Presentation on the eve of National Science Day was organised in the Kumadvathi College of Education by the Science Club members. Dr. Yadukumar M, Assistant Professor briefly summarised aims and objectives of science Club for the present academic year. Later the Science Club was inaugurated by Teaching staff and Science Club members by watering the plant. Speaking in the occasion Dr. Shivakumar G S, stressed that knowledge of science must give answer for all the blind believes in the society and natural environmental process.

On this occasion National Science Day was also celebrated by showing the video of biography of Sir. C V Raman and his achievements. Later in the interaction session science club members posed some questions to the audience based on the video presented and given prizes for right responses.

All the staff and student teachers took active participation enthusiastically. The programme was found meaningful in awakening our student teacher regarding great achievements of sir C V Raman.

## World Water Day

Faculty Members observing the posters on "Conservation of water"

Judges observing the posters on "Conservation of water"

Participants receiving prizes from the Principal

On eve of World Water Day i.e on 22<sup>nd</sup> March 2019, science club members of Kumadvathi College of Education have organized the competition of poster presentation on the notice board in order to develop the awareness about the conservation of water and its importance in the present situation related to the theme **"Role of community in conserving the water"**.

Students have displayed the posters of different themes in order to develop self motivation among the readers. Because in the present situation the scarcity of water is increasing day by day. Many people are facing lots of problems regarding the availability of potable water.

The staff and student teachers took active participation enthusiastically in the programme. Finally in the competition, the following student teachers have won the prizes as follows.

Name of the Team	Obtained Prize
Kodachadri	I
Gowrishankara	II
Mullayyanagiri	III

### Field visit to study Natural Dyeing and Environmental Conservation

Science Club members in the prayer hall of "Charaka"

Science Club members observing natural waving unit

Science Club members observing the final products prepared for marketing

On 21<sup>th</sup> May 2019, as a part of our field study visit. Our science club members along with the mentor teachers gave visit to "Chraka". With an objective of organizing field trip skills for our student teachers as well as developing awareness about Natural conservation of Nature the programme found meaningful.

Charaka is one such non-governmental Organization mainly involved in environmental conservation process. In charaka, the cotton cloths are weaved manually and the dye they use is natural which is obtained by the extracts of plants and trees.

There was a lot of scope for our students to learn many things at charaka. Our students come across water conservation process which is the need of the hour in the present condition.

Later on the way our student teachers had a chance to visit Neenasam Ranga Shikshna Kendra which is one of the renowned art and drama training centre. Dr.Shivakumar GS , Dr.Yadukumar M and Sri.Nagendrappa S have accompanied the students. The visit was found meaningful and the students expressed they gratitude about the visit.
