World Environment Day

Science Club members, faculty members along with the student teachers involved in the programme

On 5th June 2021, on eve of World Environment Day, Science club members of our college organized a “**Plantation Programme**”. As it was the lockdown period, the student teachers of both the I and III Semester of our college are asked to involve in the plantation session by planting a sampling of their choice in their residence itself with the available materials. On the same day all the student teachers explained about the sampling used for planting, method of plantation and usefulness of the plant through online mode in the live Zoom cloud platform.

All the student teachers and staff members were joined in this programme and the progemme was found meaningful in developing awareness about the importance of plants in our life.

GLOBAL WIND DAY

On eve of Global Wind Energy Day, i.e., on 15th June 2021, Science Club members of our college organized “**Online Quiz Competition**” for the student teachers of Kuvemu University B.Ed. Colleges. Totally 200 student teachers from various B. Ed Colleges have responded for the quiz.

All the participants who score more than 60 % of marks were given the participation certification. The programme was found fruitful in the self-evaluation of the participants regarding their awareness about conservation of energy. The programme was found very effective in motivating the students to think about the various sources of energy and their applications.

In the competition, about 210 student teachers of different B.Ed. Colleges of Kuvempu University took active participation. The results of the competition are as follows.

RESULT

Sl. No.	NAME	COLLEGE	PLACE	PRIZE
1	Punith Kumar P G	Rajivgandhi Bed College	Shivamogga	I

National Handloom Day

“CHARAKA” the
Documentary Presentation

Student Teachers Watching the
Documentary Presentation

Divya D M, Student Teacher
Sharing the opinion about
National Handloom Day

On 21st August 2021, on eve of National Handloom Day science club members of our college organised a Documentary presentation on the topic “CHARAKA”. The Documentary was prepared by the Science Club members of previous year batch students by visiting to Beemanakone, Sagara Taluk.

Charaka is a women's multipurpose industrial co-operative society situated at Bhimanakone Village on the Western Ghats of Southern India. It is a small but significant success story. It produces naturally dyed cotton handloom garments in a composite handloom unit in Bhimanakone. Readymade garments produced here are sold in cities like Bangalore, Mysore, Dharwad and Shimoga at retail outlets under the brand name DESI. These garments are much sought after by the young and the old, men and women.

The programme was found fruitful. All the first and Third semester Student Teachers were actively participated in the programme.

Sri. Nagendrappa S, Assistant Professor
Kumadvathi College of Education, Shikaripura.

On 24th February 2022, the Science Club of Kumadvathi College of Education organised field visit to Solid waste recycling Unit in the Shikaripura Taluk.

Solid waste disposal is one of the critical tasks now days. On this background all the student teachers of Kumadvathi College of Education gave visit to Solid waste recycling Unit of Shikaripura Taluk and got awareness about the proper disposal of solid waste produced on their surroundings.

Sri. Prathap M L, Managing Director, Solid Waste Recycling Plant, Shikaripura, demonstrated the process of Solid-waste management, the collecting, treating and disposing of unused solid material.

Sri. Shivaraj, Environmental Engineer, Municipality, Shikaripura in the speech expressed that, improper disposal of municipal solid waste can create unhygienic conditions and these conditions in turn can lead to pollution of the environment and to outbreaks of vector-borne disease.

In the presidential speech Dr. Shivakumar G S, Principal, Kumadvathi College of Education, Shikaripura, urged the student teachers to develop awareness among the publics through the school going students.

The programme was found fruitful and all the student teachers were enriched by the process of Solid waste management process and felt the need of the solid waste management in the day today life. In the programme mentor teachers of science club and the teaching faculty were present in the programme.

e-waste collection and awareness programme

e-waste collection and awareness programme inauguration by Prof. S S Gadag, Academic Advisor

Student teachers developing awareness about e-waste management among the villagers.

Science Club members collecting the e-waste materials from the villagers

On National Science Day, 28th February 2022 Science Club members of Kumadvathi College of Education organised e-waste collection and awareness programme in Thimlapura Village.

The programme was inaugurated by Prof. S S Gadag, Academic Advisor, Swamy Vivekananda Vidya Samsthe. On this occasion he told now a day's e-waste management is very biggest problem in the world. Recycle is the only solution for managing the e-waste materials.

Student teachers walked in the village by procession and speak with each and every house in the village and developed awareness about e-waste management. Villagers motivated by the procession and voluntarily put the e-waste materials stored in their home to the e-waste containers brought by the Science Club members. Later that the collected e-waste materials sent to recycle unit.

All the staff and student teachers took active participation enthusiastically. The programme was found meaningful by developing awareness among the villagers.
