#### Science Club Programme 2022-2023

Date of the Programme	25-04-2023
Title of the Programme	Video presentation on eve of World Earth Day
Objectives of the Programme	<ul> <li>To know the historical background of World Earth Day</li> <li>To raise awareness of the need to protect Earth's natural resources for future generations.</li> </ul>
President of the Programme	Dr. Shivakumar G S., Principal, Kumadvathi College of Education, Shikaripura
Resource Persons/ Chief Guest of the Programme	Faculties of Kumadvathi College of Education, Shikaripura
Programme Co-Ordinator/s	Mentors of Science Club
Number of Student Teacher Participated	19 (Second year Science Club members)
Details / Report of the Programme	On 25 <sup>th</sup> April 2023 World Earth Day was organised in the Kumadvathi College of Education by the Science Club members. World Earth Day was celebrated by showing the video of historical background to celebrate World Earth Day and raise awareness of the need to protect Earth's natural resources for future generations. All the staff and student teachers took active participation enthusiastically. The programme was found meaningful in awakening our student teacher regarding importance of earth as a needful resource of the life.

#### IQAC Initiatives Science Club Programme 2021-2022

Date of the Programme	25-04-2023
Title of the Programme	Zero shadow day celebration
Objectives of the Programme	• To develop curiosity in the natural process occuring in the surrounding environment.
President of the Programme	Dr. Shivakumar G S., Principal, Kumadvathi College of Education, Shikaripura
Resource Persons/ Chief Guest of the Programme	Faculties of Kumadvathi College of Education, Shikaripura
Programme Co-Ordinator/s	Mentors of Science Club
Number of Student Teacher Participated	85
Details / Report of the Programme	On 25 <sup>th</sup> April 2023 observed Zero shadow day. Zero Shadow Day is a special celestial event that occurs twice a year. During this time, no shadows appear of any object or living being when the sun is at its highest point in the sky. Science Club members of Kumadvathi College of Education organised activity to observe the Zero shadow day effect. Exactly at noon 12:15 pm in front of the college all the student teachers assembled and made the circle. At that instant, the shadow would disappear. All the student teachers enjoyed the situation by seeing the natural environmental process.
