Unit Electric current and its effects / Topic Electricity and Electric Components

Previous Knowledge

Pupil know about the concept electric current

Teaching Points and Formation of Concepts :

* Meaning of electricity

* Electric components and their symbols.

Specific Instructional Objectives :

After the completion of this lesson pupil

Knowledge: Recalls the meaning of electricity

* Recalls the meaning of electric cell

* Recognises bulb in a given list of electric components.

Understanding: * Compares cell and battery

* Verifies that tungsten filaments emit light in electric bulb.

* analyses the conversion of electricity into other form of energy.

Application:

* judges that cell converts chemical energy into electrical energy.

* gives reason why tungsten filament is used in electric bulb.

* Collects different electric components.

Skill:

* Sketches the diagram of electric cell

* Accurately observes the parts of bulb

* draws symbol of battery.

Teaching - Learning Materials

* Cell, battery, bulb, * Chart of electrical components, * Chart

showing materials using electricity, * Chart of electric cell and bulb

<p>Report of the Programme</p>	<p>IQAC initiative - 2021-22 & As a part of World Environment Day in collaboration with Science Club, NSS Wing, Youth Red Cross and Department of Forest, Shikaripura Branch organised the SEED SOWING FESTIVAL PROGRAMME at Gangavvanasara Forst, Shidaginahaal area, Harogoppa Panchayat, Shikaripura taluk as part of our Extension programme.</p> <p>On this occasion Sri. Gopya Naik G., Assistant Conservative Forester, elaborates on the importance of the seed sowing programme that the forest department aims to increase the tree cover and greenery. It was held across various circles, divisions and ranges in the district. He said that the primary function was held at various forest areas in Shikaripura taluk and seeds of 14 species were distributed. The area identified for sowing is spread over 5 hectares. School children, college students, and NGOs were part of the drive and also said that sowing the seeds in the minds of the young children so that they are environmentally sensitised. Sir also explained why we need to save our forest and important facts about different species like Terminalia elliptical (Kari Matti), Bambusoideae (Bambo Seeds), Millettia Pinnata (Honge), Melia Dubia (Hebbevu) and their importance to our students. He extended his speech that this seed sowing drive will continue throughout the week and the annual Vanamahotsava programme entailing the planting of saplings, will be held from July 1 at different areas of Shikaripura Taluk.</p> <p>The President of this programme Dr. Shivakumar G. S., Principal, Kumadvathi College of Education, Shikaripura said that, It is an annual seed sowing festival celebrated in the 1st week of July every year to spread awareness of forest conservation and to save the environment. It is also known as the Forest festival. Trees and forests play a very crucial role in maintaining ecological balance and providing oxygen to human beings on the planet. The celebration of the seed sowing programme reminds us that we must protect forests and stop deforestation. It emphasizes the practice of the 3R Rule- Reduce, Reuse and Recycle. Forest & Trees provide many advantages which are essential for life on the earth. It's our duty to save the forest for the next generation. Sir also conveyed thanks to the department for involving in this societal awareness programme.</p>

Details / Report of the Programme	<p>EDUCATIONAL FIELD TRIP: 2021-2022</p> <p>The purpose of the trip is usually providing students with experiences outside their everyday School activities. In today’s educational system, the importance of Educational tour for Student teachers can’t be overlooked. It provides students with a great opportunity to learn in an informal environment. The importance of educational tour for B.Ed. students can be better understood by the fact that it helps break the monotony of college life. It helps students’ minds explore the unknown, and provides immense happiness and a sense of satisfaction. In addition to this, it also helps teachers meet certain objectives of the curriculum by designing tours suitable with specific requirements. So as a part of our educational activities on 8th August 2022 educational filed trip was organized in our college.</p> <p>On 8th morning at 5.30 AM, all the student teachers assembled at the college area. Exactly at 6:00 AM our bus left for the educational field trip. By the time 8.00 AM we reached Jog falls. After seeing the jog falls we left to Nippli Falls,and it was good experience, and we finished the breakfast.The breakfast</p>

was good. After finishing the breakfast, we started our journey towards Keladi and reached at 11.30 AM, there we had the Darshana of lord Rameshwara. After having darshanam, we started moving towards Keladi Museum. It was a life time experience of all the students to see the historical collections of monuments, Talegari scripts and after Visiting to Keladi Museum, latest 1.30 PM we reached Sagara. In sagara,karant hotel, all the student teachers had the lunch. Then we gave visit toIkkeri, there we visited Aghoreshwara temple at 2.45PM and later gave visit toCharaka in Bheemanakone. After observing the charaka, in the evening students were taken to visit to Ninasam, Heggodu by 5.30 PM. All the student teachers got the information related to the various functions and activities of Ninasam Ranga Shikshana Kendra, All the Student teachers enriched by the theatre activities. This Visits was found very useful to all the students. After that, all the students and staffs taken the evening snacks in Ninasam Canteen. And we left to 7.00 PM in Heggodu, and we reached to our college at 8.30 PM, all the students taken the dinner in our college canteen of our college and after the dinner all the students and staffs dispersed, Finally, it was a memorable educational field trip for the year 2021-2022.

<p>Report of the Programme</p>	<p>IQAC initiative - 2021-22 & As a part of World Environment Day in collaboration with Science Club, NSS Wing, Youth Red Cross and Department of Forest, Shikaripura Branch organised the SEED SOWING FESTIVAL PROGRAMME at Gangavvanasara Forst, Shidaginahaal area, Harogoppa Panchayat, Shikaripura taluk as part of our Extension programme.</p> <p>On this occasion Sri. Gopya Naik G., Assistant Conservative Forester, elaborates on the importance of the seed sowing programme that the forest department aims to increase the tree cover and greenery. It was held across various circles, divisions and ranges in the district. He said that the primary function was held at various forest areas in Shikaripura taluk and seeds of 14 species were distributed. The area identified for sowing is spread over 5 hectares. School children, college students, and NGOs were part of the drive and also said that sowing the seeds in the minds of the young children so that they are environmentally sensitised. Sir also explained why we need to save our forest and important facts about different species like Terminalia elliptical (Kari Matti), Bambusoideae (Bambo Seeds), Millettia Pinnata (Honge), Melia Dubia (Hebbevu) and their importance to our students. He extended his speech that this seed sowing drive will continue throughout the week and the annual Vanamahotsava programme entailing the planting of saplings, will be held from July 1 at different areas of Shikaripura Taluk.</p> <p>The President of this programme Dr. Shivakumar G. S., Principal, Kumadvathi College of Education, Shikaripura said that, It is an annual seed sowing festival celebrated in the 1st week of July every year to spread awareness of forest conservation and to save the environment. It is also known as the Forest festival. Trees and forests play a very crucial role in maintaining ecological balance and providing oxygen to human beings on the planet. The celebration of the seed sowing programme reminds us that we must protect forests and stop deforestation. It emphasizes the practice of the 3R Rule- Reduce, Reuse and Recycle. Forest & Trees provide many advantages which are essential for life on the earth. It's our duty to save the forest for the next generation. Sir also conveyed thanks to the department for involving in this societal awareness programme.</p>
