GREEN PRACTICE POLICY

PREAMBLE

A Green Campus is a place where environmentally friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.

Greening the campus is all about sweeping away wasteful inefficiencies and using conventional sources of energies for its daily power needs, correct disposal handling, purchase of environment friendly supplies and effective recycling program. Institute has to work out the time bound strategies to implement green campus initiatives. These strategies need to be incorporated into the institutional planning and budgeting processes with the aim of developing a clean and green campus.

MAJOR GREEN CAMPUS INITIATIVES IN KCE CAMPUS:

- Electric powered vehicle for campus ride
- Institute Green landscape
- Use of LED
- Sewage treatment Plant
- Usage of bicycles
- Pedestrian friendly Road
- Plastic free campus
- Restricted entry of vehicles
- Restricted Parking
- e-waste management

INTRODUCTION TO THE CRITERION

A Green Campus is a place where environmental-friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind. In KCE, we practice and maintain the following criteria and policies to make it a pollution free, energy saving green campus.

GREEN CAMPUS POLICY

1. Restricted entry of vehicles

- All the vehicles of college staff/ faculty members should be getting the emission certification before entering the vehicle in college campus.
- The college encourages the employees and students to frequently use public transport, bicycles, etc. to limit the emissions.

2. Use of Bicycle/ battery powered vehicles

- College uses the Battery-powered vehicles for in- house transport.
- All electricity use within a new building space maximizes the use of renewable energy.

3. Pedestrian-friendly pathways

- KCE campus follows the Pedestrian-friendly pathways in all the buildings.
- Pedestrian-friendly pathways are properly marked with suitable logo/sign.

4. Ban on use of Plastic

- The college continuously committed to work towards plastic-free campus.
- In the KCE campus there is complete ban on single-use plastics in class room, labs canteens in the institution's premises and hostels.

5. Landscaping with trees and plants

- As per the green practices in the campus KCE is moving in the direction of a Green Institution in Uttarakhand planting more trees within and outside the campus.
- Medication plants and more fruit plants and trees have been planted to clean the atmosphere
