<p>Report of the Programme</p>	<p>IQAC initiative - 2021-22 & As a part of World Environment Day in collaboration with Science Club, NSS Wing, Youth Red Cross and Department of Forest, Shikaripura Branch organised the SEED SOWING FESTIVAL PROGRAMME at Gangavvanasara Forst, Shidaginahaal area, Harogoppa Panchayat, Shikaripura taluk as part of our Extension programme.</p> <p>On this occasion Sri. Gopya Naik G., Assistant Conservative Forester, elaborates on the importance of the seed sowing programme that the forest department aims to increase the tree cover and greenery. It was held across various circles, divisions and ranges in the district. He said that the primary function was held at various forest areas in Shikaripura taluk and seeds of 14 species were distributed. The area identified for sowing is spread over 5 hectares. School children, college students, and NGOs were part of the drive and also said that sowing the seeds in the minds of the young children so that they are environmentally sensitised. Sir also explained why we need to save our forest and important facts about different species like Terminalia elliptical (Kari Matti), Bambusoideae (Bambo Seeds), Millettia Pinnata (Honge), Melia Dubia (Hebbevu) and their importance to our students. He extended his speech that this seed sowing drive will continue throughout the week and the annual Vanamahotsava programme entailing the planting of saplings, will be held from July 1 at different areas of Shikaripura Taluk.</p> <p>The President of this programme Dr. Shivakumar G. S., Principal, Kumadvathi College of Education, Shikaripura said that, It is an annual seed sowing festival celebrated in the 1st week of July every year to spread awareness of forest conservation and to save the environment. It is also known as the Forest festival. Trees and forests play a very crucial role in maintaining ecological balance and providing oxygen to human beings on the planet. The celebration of the seed sowing programme reminds us that we must protect forests and stop deforestation. It emphasizes the practice of the 3R Rule- Reduce, Reuse and Recycle. Forest & Trees provide many advantages which are essential for life on the earth. It's our duty to save the forest for the next generation. Sir also conveyed thanks to the department for involving in this societal awareness programme.</p>

Details / Report of the Programme	<p style="text-align: center;">EDUCATIONAL FIELD TRIP: 2021-2022</p> <p>The purpose of the trip is usually providing students with experiences outside their everyday School activities. In today’s educational system, the importance of Educational tour for Student teachers can’t be overlooked. It provides students with a great opportunity to learn in an informal environment. The importance of educational tour for B.Ed. students can be better understood by the fact that it helps break the monotony of college life. It helps students’ minds explore the unknown, and provides immense happiness and a sense of satisfaction. In addition to this, it also helps teachers meet certain objectives of the curriculum by designing tours suitable with specific requirements. So as a part of our educational activities on 8th August 2022 educational field trip was organized in our college.</p> <p>On 8th morning at 5.30 AM, all the student teachers assembled at the college area. Exactly at 6:00 AM our bus left for the educational field trip. By the time 8.00 AM we reached Jog falls. After seeing the jog falls we left to Nippli Falls, and it was good experience, and we finished the breakfast. The</p>
